**SECTION 312 AMENDMENT AFTER ALLOWANCE**

This amendment is being filed after allowance due to the significant Examiner's Amendment made and attached with the Notice of Allowance. Essentially, because of the significant amendments made or proposed in the noted Examiner's Amendment, the Applicant wanted to set forth those amendments in written form for clarity so that the Examiner can see the claims in the allowed form and again verify their allowability.

Accordingly, Applicant includes the allowed claims herein which incorporate the Examiner's Amendments included with the Notice of Allowance.

**Amendments to the Claims** begin on page 3 of this paper.

**Remarks** begin on page 8 of this paper.
